

Disorder	Aetiology	Status	Concept ID	Preferred Term	Notes	
	None		110914100000102	No evidence of glaucoma (situation)		
Ocular Hypertension	Primary		111008100000100	Primary ocular hypertension (disorder)		
			29538005	Glaucomatocyclitic crisis (disorder)		
			1285573001	Ghost cell ocular hypertension (disorder)		
			1286829004	Ocular hypertension due to hemolysis following intraocular hemorrhage (disorder)		
			1286804005	Ocular hypertension associated with anterior segment anomaly (disorder)		
			1285719009	Ocular hypertension associated with vascular disorder (disorder)		
			1285572006	Ocular hypertension due to angle recession (disorder)		
			111012100000102	Ocular hypertension due to aphakia (disorder)		
			1286784000	Ocular hypertension due to increased episcleral venous pressure (disorder)		
			1285739008	Ocular hypertension due to intraocular hemorrhage (disorder)		
	Secondary		1285575008	Ocular hypertension due to intraocular neoplasm (disorder)		
			111013100000100	Ocular hypertension due to neovascularisation (disorder)		
			1285707001	Ocular hypertension due ocular surgery (disorder)		
			111014100000109	Ocular hypertension due to ocular trauma (disorder)		
			1285719009	Ocular hypertension due to ocular vascular disorder (disorder)		
			111010100000106	Ocular hypertension due to pigment dispersion syndrome (disorder)		
			111009100000103	Ocular hypertension due to pseudoexfoliation (disorder)		
			1285731006	Ocular hypertension due to retinal detachment (disorder)		
			1285579002	Ocular hypertension due to silicone oil (disorder)		
			6201100000100	Ocular hypertension due to steroid (disorder)		
	1285740005	Ocular hypertension due to systemic syndrome (disorder)				
	111011100000108	Ocular hypertension due to uveitis (disorder)				
	1286830009	Ocular hypertension due to disorder of lens (disorder)				
	111015100000107	Secondary ocular hypertension (disorder)	To be used only if above options are not applicable			
	Not specified	4210003	Ocular hypertension	To be used only if above options are not applicable		
Angle closure (no glaucoma)	Primary	Suspect	112811100000103	Primary angle closure suspect (disorder)		
		Acute	111147100000102	Acute primary angle closure (disorder)		
		Non-acute	111156100000108	Primary angle closure (disorder)		
	Secondary	Acute		1285709003	Acute angle closure caused by drug (disorder)	
				1286832001	Acute angle closure due to congenital malformation of angle of anterior chamber of eye (disorder)	
				111152100000100	Acute angle closure due to neovascularisation (disorder)	
				111149100000103	Acute angle closure due to uveitis (disorder)	
			111151100000106	Phacomorphic secondary acute angle closure (disorder)		
			1286844003	Postoperative acute angle closure (disorder)		
			111148100000100	Secondary acute angle closure (disorder)	To be used only if above options are not applicable	
		Non-acute		1285708006	Angle closure caused by drug (disorder)	
			1286831008	Angle closure due to congenital malformation of angle of anterior chamber of eye (disorder)		
			111155100000105	Angle closure due to neovascularisation (disorder)		
			111154100000107	Angle closure due to uveitis (disorder)		
	1286843009	Postoperative angle closure (disorder)				
	1286851007	Angle-closure due to iridocorneal endothelial syndrome (disorder)				
	1286853005	Angle-closure due to posterior synechiae (disorder)				
	111153100000103	Secondary angle closure (disorder)	To be used only if above options are not applicable			
Not specified	Acute	111145100000106	Acute angle closure (disorder)	To be used only if above options are not applicable		
Angle Closure Glaucoma	Primary		392288006	Primary angle-closure glaucoma (disorder)		
			1285332001	Angle closure glaucoma caused by drug (disorder)		
	Secondary		193552006	Glaucoma due to chamber angle anomaly (disorder)		
			232086000	Neovascular glaucoma (disorder)		
			392300000	Phacomorphic glaucoma (disorder)		
			89215000	Postoperative angle-closure glaucoma (disorder)		
			1137633000	Secondary angle-closure glaucoma due to iridocorneal endothelial syndrome (disorder)		
			314784002	Secondary angle-closure glaucoma - synechial (disorder)		
		21571006	Secondary angle-closure glaucoma (disorder)	To be used only if above options are not applicable		
Not specified		392291006	Angle-closure glaucoma (disorder)	To be used only if above options are not applicable		
Open Angle Glaucoma	Not specified	Suspect	833278008	Glaucoma suspect (disorder)		
	Primary	Normal pressure	788995007	Normal pressure primary open-angle glaucoma (disorder)		
		Increase pressure	77075001	Primary open angle glaucoma (disorder)		
	Secondary		392352004	Angle recession glaucoma (disorder)		
			15374009	Aphakic glaucoma (disorder)		
			93435005	Drug-induced glaucoma (disorder)		
			232088004	Ghost cell glaucoma (disorder)		
			45623002	Glaucoma associated with anterior segment anomaly (disorder)		
			404634005	Glaucoma associated with iridocorneal endothelial syndrome (disorder)		
			19309007	Glaucoma associated with vascular disorder (disorder)		
			715144004	Glaucoma caused by silicone oil (disorder)		
			788947003	Glaucoma due to intraocular neoplasm (disorder)		
			193562004	Glaucoma due to ocular vascular disorder (disorder)		
			788948008	Glaucoma due to retinal detachment (disorder)		
			193555008	Glaucoma due to systemic syndrome (disorder)		
			232090003	Glaucoma following surgery (disorder)		
			34623005	Glaucoma with increased episcleral venous pressure (disorder)		
			232087009	Glaucoma with intraocular hemorrhage (disorder)		
			392030001	Hemolytic glaucoma (disorder)		
			1285710008	Open angle glaucoma caused by drug (disorder)		
			111140100000105	Open angle glaucoma due to neovascularisation (disorder)		
			111139100000107	Open angle glaucoma due to ocular trauma (disorder)		
			32893002	Phacolytic glaucoma (disorder)		
			46168003	Pigmentary glaucoma (disorder)		
			111514006	Pseudoexfoliation glaucoma (disorder)		
			24151000119106	Steroid-induced open angle glaucoma (disorder)		
			314033007	Uveitic glaucoma (disorder)		
	392029006	Uveitis-hyphema-glaucoma syndrome (disorder)				
	21928008	Secondary open-angle glaucoma (disorder)	To be used only if above options are not applicable			
Post-surgical Disorders			370504007	Aqueous humor mistirect (disorder)		
			733310006	Conjunctival blebitis following glaucoma surgery (disorder)		
			1217656003	Dislodgement of plate after glaucoma surgery (disorder)		
			1217658002	Dislodgement of tube after glaucoma surgery (disorder)		
			232090003	Glaucoma following surgery (disorder)	? Change to Glaucoma following ocular surgery	
			1264000005	Scar of eye due to and following filtration operation for glaucoma (disorder)
