

Call for Expressions of Interest: 2022 October Business Meetings & SNOMED CT Expo

Once annually in October, SNOMED International and an individual Member country work together to hold an internationally-attended SNOMED CT event. The event is comprised of a four-day business meeting, a two-day SNOMED CT Expo, and supplemented with regional and culturally focused social activities.

The Business Meetings allow SNOMED International governance and advisory bodies, such as the General Assembly, Management Board, Member Forum, Advisory Groups, and Clinical Reference Groups, to meet face-to-face and also gain exposure regarding the host country's health and ehealth environment.

By contrast, the Expo is a more externally-oriented event aimed at showcasing global SNOMED CT implementation successes and experiences.

With each event cycle a new call for hosts is made, encouraging Member consideration to submit a proposal to host the October events.

SNOMED International now invites 'Expressions of Interest' from Member Host Countries for October 2022

To maintain equality of rotation among the 3 global regions, proposals are sought as follows:

- 2022: Asia-Pac

HOW DOES THE SELECTION PROCESS WORK?

Call for Expression of Interest

Call to SNOMED International Member countries to submit expressions of interest to host the October 2022 Business Meeting and SNOMED CT Expo events.

Deadline to Submit Verbal Expressions of Interest for Review by October 7, 2019.

Request for Formal Proposals

SNOMED International will shortlist Members for 2022 with an invitation to prepare a formal proposal.

Deadline to Submit Formal Proposals by January 10, 2020

Formal proposals submitted will require detailed information outlined per organization [Guidelines](#).

Review of Formal Proposals by SNOMED International & Management Board: February 2020

Successful 2022 Member host country decided upon and announced at the April 2020 London Business Meeting.
