

Membership and Licensing

New Members Welcome!

We are a Member-owned and driven international organization that welcomes new Members. As a Member, you join a global community with shared assets, common needs, and a commitment to exchanging experiences and working together on shared priorities to improve the health of people worldwide.

Why Join SNOMED International?

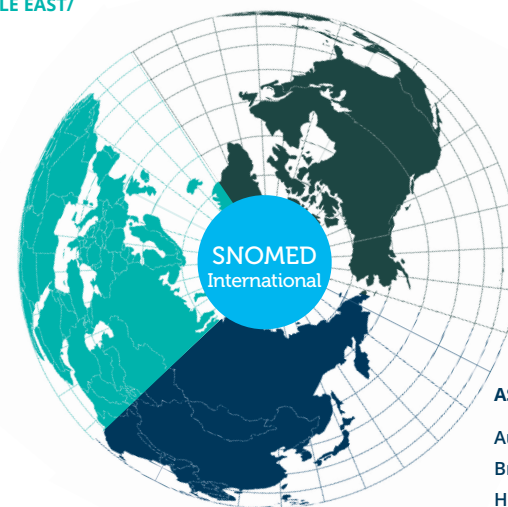

Around the world, there is increasing recognition that electronic health records can foster improvements in health outcomes and in the efficiency of health services. Using SNOMED CT benefits patients, healthcare providers and health systems.

SNOMED International Membership has many benefits including:

Use and control:

- Use of SNOMED CT within the Member's territory
- Use of SNOMED CT resources within the Member's territory, including guides, tools and tooling support
- Management of the release, distribution and sublicensing of SNOMED CT and other SNOMED International products within the territory
- Twice-yearly updates of the SNOMED CT International Release

Knowledge sharing:

- Access to forums and networks to share, and learn from, implementation and others' experiences using the terminology
- Dedicated help hours to address national needs. These hours can be used based on your priorities (e.g. for SNOMED CT education)
- Priority access to new resources, education and tools as they are developed by SNOMED International
- Tailored training for onboarding of new Members
- Free access to the SNOMED CT Foundation course and discounts for other educational offerings

Adaptability and mapping:

- Ability to create national extensions of SNOMED CT and to translate it to other languages
- Cross-maps to select international classifications
- Financial support available for SNOMED CT translation into Member's language

Representation and influence:

- Representation on the SNOMED International General Assembly*
- Opportunity to nominate candidates for membership on SNOMED International Management Board and Committees
- Ability to suggest the addition of new concepts, or changes to current concepts and relationships, in the SNOMED CT International Release

Please see our website for more information about becoming a Member:
