Adoption Journey

As you progress on your SNOMED CT adoption journey and you gain more experience with SNOMED CT, your questions and support needs may evolve.

Please select a stage from the journey below to start exploring relevant implementation resources and services.

1. **Getting Started** - Why use SNOMED CT and where do I start?
2. **Preparing for Implementation** - How do I implement SNOMED CT in this use case?
3. **Implementation in Progress** - How do I answer my specific SNOMED CT implementation questions?
4. **Levelling Up** - How do I achieve additional benefits with SNOMED CT?
