Video introduction to the Editorial Guide

Summary of changes*

* Changes on this spreadsheet may include those in progress for a future publication date. The in-progress changes are available for viewing but will not be visible in the Editorial Guide until the next publication. Please note dates in bottom tab.

The Editorial Guide provides the information necessary to model concepts in SNOMED CT. It is a working document, subject to change and revision. The primary audience is for those who edit content in the International Release, but it may also be useful to those creating extensions. For those editing in extensions, please also see guidance within the Extensions Practical Guide.
