

## Join Us at HIMSS18

Visit SNOMED International at **Booth #977** to engage in conversation and share your insights on how clinical terminology is contributing to healthcare interoperability.

The team is eager to share updates on new partnerships, tools, and initiatives that will leverage the power of structured clinical terminology in the health space.

We have an active week planned for HIMSS18 - Stay up to date on SNOMED International's sessions on our dedicated **HIMSS18** webpage.
