

Healthcare Professionals Coordination Group Home

Welcome to the Healthcare Professionals Coordination Group space.

The **Healthcare Professionals Coordination Group (HPCG)** is comprised of the appointed Chairs and Vice-Chairs of the Professional Special Interest Groups (SIG).

The HPCG has a key advisory role therefore it is expected that members possess the relevant skill sets and knowledge to provide coherent, coordinated and comprehensive healthcare professional advice to IHTSDO products and services - a key aspect of addressing the IHTSDO priorities.

Additionally, the group will ensure a coordinated approach to engagement with international healthcare professional groups.

Face to Face meeting

October 24th, 2016 at The Museum of New Zealand Te Papa Tongarewa 55 Cable St Wellington 6011 New Zealand

Purpose

This space is for the Healthcare Professionals Coordination Group members to share information and collaborate.

The HPCG schedule regular meetings bi-monthly every other month on the odd-numbered months.

Participate

For more information please see the [ds](#) documentation and help guide.

Go here - [Confluence User Accounts](#) - to apply for an account.

Note that registration and joining requests are manually checked, so there may be a delay of one or two working days in completing this process. Confluence account application forms will be reviewed by an administrator to determine whether an account is necessary for the stated purposes.

Most IHTSDO Confluence users do not need accounts. Confluence allows non-registered users to browse topics and delve into project spaces without logging in. If you wish to actively participate in this SIG - commenting on pages, indicating when you have completed an action, uploading documents for discussion, etc. - then you need an account. If so, please fill out the form [on this page](#).
