[October 2018 Business Meeting](#)

[Terance Shird](#) posted on Oct 11, 2018

The Agendas for the Vancouver Business Meetings have now been published and available via the links below. Please note that this years meetings have been split into a dedicated Managed Service Sub Group Meeting on Monday 15 October with the normal TUAG meeting on Wednesday 17 October being for one session only. Observers are welcome to both meetings as normal, however the agenda for Monday is dedicated to the Managed Service....

[April 2018 London Meetings](#)

[Rory Davidson](#) posted on Mar 28, 2018

The agenda for our meetings in London has now been posted - 2018-04-09/11 - TUAG Business Meeting, and you'll see that it is a bit different from normal. We would like to spend the first, shorter session on the Monday, giving you a walk through what has changed in the SNOMED International tooling, with a focus on the authoring platform. The second session on Wednesday,...

[Todays Meeting is Cancelled](#)

Apologies for the short notice but due to the fact that we met recently in Bratislava and we do not have any significant updates to provide, we are cancelling todays meeting. If you have any new items you would like to see on the Agenda for the next meeting please email them through. As always if you have any urgent issues, queries or questions please contact Rory or myself directly in the meantime.
