

Clinical Community webinar update

A reminder that the Clinical Engagement team has the first webinar for interested clinicians this week on Wednesday, 29th, January 2020 at 20:00 UTC. The meeting will last for two hours, and provide an overview of current clinical work group activity and opportunity to discuss things that are coming up. Details of the agenda is available here - [2020-01-29 - Clinical Community Conference Call](#).

We look forward to you joining us
