

ELAG April Conference Call - Shall we go ahead or postpone (or both)?

Dear ELAG,

My thoughts are with you all at the moment, as we face the global Covid-19 challenge together. You may have seen that some of our virtual April business meetings are being postponed, while everyone focuses on these important challenges.

So, I would like to give you the following options for our April ELAG meeting:

1. Go ahead as planned for Wednesday 8th April from 7:00 UTC to 9:00 UTC
2. Push back the meeting until the end of April - e.g. Wednesday 29th April from 7:00 UTC to 9:00 UTC
3. Postpone the meeting indefinitely, and ask again at the end of April
4. Some combination of the above (e.g. run the meeting twice - both now and the end of April)

Which of these options (or any others) would be best for you? Please either respond below, or email me at ibi@snomed.org with your preference.

Wishing you, your families and friends good health!

Kind regards,
Linda.
