

Clinical webinar - clinical analytics experiences

Dear all,

We are hosting a clinical webinar on the 6th, May 2020 at 19:00 UTC. The webinar will last 90 minutes, and the presenters will be Dr. Charles Gutteridge and Sophie Williams.

The focus of the presentations are the clinical experiences of using SNOMED CT for clinical analytics across a population and within large hospital provider

The webinar will be hosted on Zoom - <https://snomed.zoom.us/j/8853010974>

Details of the call can be found at: [2020-05-06 - Clinical Webinar](#)

We look forward to your attendance.

kind regards,

Ian Green
