

SNOMED CT Expo 2020 & Oct Business Meetings: Thank You!

SNOMED CT Expo 2020 & October Business Meetings

October 5-9, 2020 - Virtual Sessions

Now we have had a chance to catch our collective breath, SNOMED International would like to express our gratitude to the Community of Practice for making our first-ever virtual SNOMED CT conference a huge success! Whether you were a Business Meeting participant, a SNOMED CT Expo 2020 delegate, speaker, exhibitor or sponsor - your involvement was crucial to such a positive outcome (and a true representation of the global interest in SNOMED CT).

The results at a glance:

- **Our biggest Expo ever:** Almost **1,900** delegates registered, with **1,195** unique live event attendees (*typical Expo registration is in the 300-400 range*)
- **A truly global event:** delegates from **60+ countries** (*typical Expo is 30+ countries represented*). To date, registrants have hailed from countries all over the world, with 34% from the Americas, 40% from Europe, the Middle East and Africa, 22% from Asia Pacific, and the rest from other regions.
- **No time-zone or financial barrier to delegate attendance:** **16,000** session views so far (live and on-demand); over **28,000** content downloads, and almost **9,000** visits to exhibitor booths.

There was also a **strong show of support from those that joined the October 2020 Virtual Business Meetings**, including the Open General Assembly and the [SNOMED CT for Clinicians](#) sessions. Documents and recordings (including our Community Updates) [are located here](#) for your reference.

Virtual Expo sessions and Exhibit Hall available until January 8, 2021:

Did you miss a **concurrent session** or an **exhibitor booth** you wanted to attend or explore? You can still access them all. Plus, you can continue to submit questions to presenters via the Q&A tool, or contact exhibitors through the 'Chat with Us' function (both will send an email to the appropriate party).

Visit <https://snomed.6connex.com/event/sctexpo/login> and sign in with your conference credentials. If you didn't register before the conference, you can still register to access the content.

Expo evaluation survey and feedback:

Nothing replaces interacting with people face-to-face, but we hope you found participating virtually to be a worthwhile endeavour. We highly value your feedback, so if you haven't done so yet please complete the evaluation survey: <https://bit.ly/34Tf5uL>

Events in 2021:

Stay tuned over the coming months for more information on our next events - the April Business Meetings (April 17-21, 2021), and the October Business Meetings and SNOMED CT Expo 2021 (October 23-29, 2021) to be held in Lisbon, Portugal (barring any further COVID-19- related international travel complications).

We very much hope to see you there!
