SNOMED CT Computable Languages Meetings - Changes

Dear all,

The SNOMED CT Languages Project Group meeting will be **CANCELLED this week**, due to unavailability of staff.

As per recent discussions, we will be moving our meeting time to **Thursday at 10:00 UTC**. This was the most popular time, amongst those who responded. Please let me know if this timing won't work for you moving forward.

In two weeks time, we will have an out-of-cycle meeting on **Wednesday 18th May at 10:00 UTC** (due to staff unavailability on Thursday 19th), and then regular fortnightly meetings will recommence from **Thursday 2nd June at 10:00 UTC**.

Have a lovely week everyone! I look forward to discussing the many topics we have on the next agenda!

Kind regards,
Linda.
