

Nursing Clinical Reference Group - Meeting Reminder

May 10th @ 2000 UTC

The next Nursing Clinical Reference Group meeting is tomorrow **Tuesday May 10th 2022 @ 2000 UTC**. The agenda is posted and new discussion topics are always welcome. Also, we would like to thank everyone for joining our Nursing CRG April Business Meeting and a special thanks to Marte Rime Bø, RN and Beate Kristiansen, RN from the Norwegian Directorate of eHealth for their presentation. You can find a recording of our last meeting in the meeting in April 12th's agenda page. We look forward to hearing more about their work during SNOMED CT expo 2022.
