Schedule & Registration now available for SNOMED International April 2023 Business Meetings

APRIL 2023 BUSINESS MEETINGS
HYBRID CONFERENCE | APRIL 2-11, 2023

SNOMED International is pleased to announce that the **April 2023 Business Meetings** will again be run as a hybrid event, providing both in-person and virtual opportunities to participate.

The in-person conference will be held from **April 2nd-5th, 2023** at the **Andaz London Liverpool Street** in London, UK. In keeping with our hybrid approach, all in-person meetings will be supported with the necessary audio and video tools to support high quality online participation via Zoom. Online-only meetings are being scheduled to take place around those dates, with details to be announced closer to the event. Zoom links to join all open sessions will be shared on the organization's **What's on this Week calendar**.

Schedule & Registration:

The current schedule for the Business Meetings (including both hybrid and online sessions) can be found **on Confluence here**, and registration for the in-person part of the event is now open.

If you are planning to join us in London please click here to complete the registration process (registration is NOT required for online-only attendees).

Accommodation:

SNOMED International has negotiated extremely competitive rates at **the venue** (both for their current rates at the hotel, and also in the surrounding area). Rooms must be reserved before **March 17, 2023** to obtain the discounted rates but we strongly recommend reserving your room as soon as possible in order to secure your booking. Please see our website **here** for pricing and the SNOMED booking link.

We very much look forward to welcoming you again to London. For any additional information pertaining to the April 2023 Business Meetings, please contact **events@snomed.org**
