

Nominate a colleague or community member for a SNOMED International award!

SNOMED International encourages you to consider submitting nominations for the following awards, acknowledging individual contributions to our organization and community:

- The **Award for Excellence** (given annually), and
- The **Lifetime Achievement Award** (awarded periodically)

In 2022, the Award for Excellence was awarded to Alejandro Mauro of Chile and Vicky Fung of Hong Kong, China, and both David Markwell and Jeremy Thorp were presented with the Lifetime Achievement Award.

Your Challenge?

- Think about someone who is worthy; Someone deserving, and someone who should be honored at the SNOMED International Awards Dinner in Atlanta this October.
- **Note:** An employee of SNOMED International is eligible to nominate someone so long as they find someone from the Community of Practice to serve as a co-nominator.

It is through your thoughtful consideration and retrospection that we are able to honor the thought leaders, past and present, in our community.

Please reference the awards policies and forms attached to this post, or visit the [Awards Page](#) for more information.

We look forward to formally recognizing excellence among the SNOMED International Community at October's planned Awards Dinner in Atlanta.

Contact governance@snomed.org for more information.

We hope to hear from you soon!
