

RFP for LOINC - SNOMED CT Cooperation Project

The IHTSDO seeks a proposal from a suitable organization or individual to align LOINC Parts with equivalent SNOMED CT concepts and develop new SNOMED CT content as part of the Cooperation agreement between the International Health Terminology Standards Development Organisation (IHTSDO) and the Regenstrief Institute, Incorporated (RII).

Responses to this RFP should be submitted via email to rfp@ihtsdo.org with *'Response to Provision of aligning LOINC Parts to SNOMED CT'* in the subject line. The deadline for this is Monday 26th September, 2016.
