March 6th, 2017, 20:00 UTC

## Attendees

## GoToMeeting Details

<https://global.gotomeeting.com/join/913359669>

## Apologies

## Objectives

- Set strategy and actions to foster clinical engagement internationally.

## Discussion items

Item	Description	Time	Owner	Action
1	1. Welcome & Apologies 2. Review of agenda	5 min	Chair	Ian Green welcomed everyone as Kathy Farndon is in transit and may not be able to logon.  Agenda review done.
2	Conflicts of Interest	1 min	Chair	None declared.
3	Minutes of last meeting  3.1. Approval of minutes of last meeting and actions not on the agenda	5 min	Chair	Minutes approved with no changes required.
4	IHTSDO updates:  4.1. Content 4.2. Collaboration	10 min	MHA/IGR	Discussion around LOINC content and overlap with NPU (Nomenclature, Properties and Units) coding system related to global application of LOINC.
5	Report from the Professional SIGs  6.1. Nursing 6.2. Dentistry 6.3. Anesthesia 6.4. IPaLM 6.5. GP/FP	15 min	SIG Chair	See attached slides:  1. Nursing ZWM reported that the Nursing SIG attendance has fallen off. Meetings and review of material has been a challenge. Review of ICN content requiring addition to SNOMED will be reviewed at March meeting. 2. Dentistry MJU provided and update; has some challenges with anatomical sites. Work required on expressions for the Odontogram. 3. Anesthesia - PMC provided an update. 4. IPaLM - WSC provide an update; 5. GP/FP - RSI provide and update.
6	Engaging with global clinical communities - update	5 min	IGR	Deferred.
7	Update on Genomics	20 min	IGR	First meeting of new genomics group will be in April in London. Experts from different countries. IGR discussed possible approaches to Genomics and planning. However, it is noted that Genomics is changing all the time so it is hard to know at this time what to tackle first.
7	Any other business		Chair	None raised.
