

REMINDER: RFP for Machine Readable Concept Model closes Monday July 17th

SNOMED International seeks proposals from suitable organisations to develop a Machine Readable Concept Model (MRCM) Maintenance Tool. The Request for Proposal and Functional Requirements Specification can be found below.

The Request for Proposal and Functional Requirements Specification can be found in the attached documents:

- Request for Proposal
- Requirements Specification

If you are interested in responding, all responses to this RFP should be submitted via email to rfp@ihtsdo.org with 'Response to MRCM Maintenance Tool' in the subject line. Any questions on the RFP should be sent to the same email address and we will respond as soon as possible.

The deadline for submission is **0800 hrs Monday 17th July 2017**.
