

Member Education Resources

We have now made the [SNOMED Member Education Resources](http://snomed.org/elearning) available via the "Member Education" menu at the top of the E-Learning Server (<http://snomed.org/elearning>).

Thanks very much to the 5 Members who have offered to share links to their SNOMED education resources. If any additional Members would like to contribute to this page, please email the relevant URI links to lbi@snomed.org. And for those of you who have already shared, please let me know if you would like any updates made to your respective content.

Thank you!
Kind regards,
Linda.
