

Application Reminder for January 2018 Implementation Course

Dear members of the E-Learning Advisory Group,

This is a reminder that we are still accepting new applications for the SNOMED CT Implementation Course starting in January 2018. Students who have successfully completed the Foundation Course are now eligible to apply. We will be allocating places for our January 2018 Implementation Course soon. **Applications received by the 15th December 2017 will be considered for this course intake.** Notification of a place will be sent by the 22nd December 2017.
