Discussion items

Item	Description	Mins	Owner	Notes & Actions
1	Welcome and introductions	5	Rob Hausam	Recording + Notes. Requests for calendar invites to pwi@snomed.org ☒ Peter G. Williams set up area for Members to upload Profiles to: Member Sharing Page
2	Summary of previous week	5	Rob Hausam	• 2017-12-12 - SNOMED on FHIR Meeting (TS) See Review and maintenance of Using SNOMED CT with FHIR page ☒ Peter G. Williams meeting invites split into TS and TB streams.
3	FHIR version and tooling etc.	5	Rob Hausam Daniel Karlsson	• Which FHIR version do we work with? ◦ It is anticipated that there will be fewer and smaller changes between R3 and R4, as compared to e.g. R2 to R3, and particularly in relation to terminology. ◦ We should start with STU3, identify any changes between versions, manage significant changes when needed. • Which tools do we use?
4	AllergyIntolerance Resource + Guidance Principles	60	Daniel Karlsson	Review Resource: AllergyIntolerance Binding • Review AllergyIntolerance resource (STU3) • Code and reaction elements may use SNOMED • Other codes elements with required FHIR code system bindings ◦ clinicalStatus, verificationStatus, type, category • SNOMED binding report looked at AllergyIntolerance ◦ Linda reviewed document for AllergyIntolerance ◦ Use as a guide for our future work • Profiling resources, not changing the base resource • Daniel reviewed Binding options and Implementation Guidance Principles

5	Selection of next resource to discuss	10	Daniel Karlsson , Rob Hausam	http://wiki.hl7.org/index.php?title=FHIR_Ballot_Prep#January_2018_Cycle http://build.fhir.org/resourcelist.html The current candidate list is: • Framework, XML, JSON, RESTful API, Search, Data types • CodeSystem, ValueSet, ConceptMap. (But not all operations on those resources) • Bundle, OperationOutcome, Parameters, StructureDefinition, SearchParameter, CapabilityStatement, OperationDefinition • Patient, Observation
6	Review of current relevant HL7 tracker items	5		Any relevant tracker items found beyond what was discussed on 5 December?
7	Next TB meeting			16 January 2018
