Q4 Edition of 'The Concept' Available

The Q4 Edition of 'The Concept' is now available at http://theconcept.snomed.io

As we move into 2018, I encourage all members of the SNOMED International community to contact info@snomed.org with suggestions and requests for article placements within The Concept. Contact Kelly Kuru to learn more about how to get involved.

A happy holiday to all and best wishes for 2018!
