# SNOMED on FHIR Meeting (TS) - Tuesday 6 February 2018

The SNOMED on FHIR working group will be meeting this week on Tuesday 6 February at the usual start time of 20:00 UTC for 90 minutes.

Please refer to 2018-02-06 - SNOMED on FHIR Meeting (TS) for the meeting agenda.  The zoom link is unchanged https://snomed.zoom.us/my/snomedhl7.

Will will focus this week again on CodeSystem, ValueSet and ConceptMap resource naming, identification and versioning.  Dion has added some work collated by Liam Barnes as a comment on that page, so it would be helpful if members could have a read of that discussion before the meeting.

Best Wishes, Peter G. Williams
