

Emergency Medicine Clinical Reference Group

Welcome to the Emergency Medicine Clinical Reference Group space

The SNOMED International Emergency Medicine Clinical Reference Group is a community of practice for all aspects Emergency Medicine.

The role of all Clinical Reference Group is to provide a forum to discuss issues, and influence the development and improvement of content in SNOMED CT.

The Emergency Medicine Clinical Reference Group has been established to ensure that the requirements of the Emergency Medicine community are incorporated into the content of SNOMED CT international Release and also to support the development of derivative products that will support implementations focused on the all aspects Emergency Medicine.
