Showcase your Implementation

Experiences! The SNOMED CT Expo 2018

Call for Abstracts is now open!

SNOMED CT Expo 2018 brings the world's most accomplished subject matter experts together to discuss SNOMED CT implementation successes, challenges, trends and future opportunities. This year's conference program has been designed to focus the conversation on your SNOMED CT experiences, achievements and enhancements.

- **Demonstrating Implementation Excellence**
Share your first hand experiences using SNOMED CT with an international community of practice
- **Enhancing Clinical Practice**
Clinical achievements that have been made possible with SNOMED CT
- **Leading Practices**
Developments and enhancements of the SNOMED CT product

Submit your concurrent session and e-poster abstract ideas today!

Submissions Close
**Tuesday April 10th,
2018**

Join a thriving
community of
international peers
and leaders

Contribute your insights
and leverage the
experience of others
