

2.3.4 Representing Concept Definitions

This section summarizes the ways in which [SNOMED CT concept definitions](#) are represented. It outlines the rationale for changes to the way in which the [stated view](#) of concept definitions is represented. The changes are occurring during a transitional period that started in July 2018 and is due to be completed in 2019.

- [2.3.4.1 Concept Definitions Represented as Relationships](#)
- [2.3.4.2 Concept Definitions Represented in OWL](#)
