

Announcing our new ELAG expert advisor - Ralph La Tella

Dear ELAG members,

I am pleased to announce our new ELAG expert advisor is Ralph La Tella.

Ralph will be joining Penny Livesay, who will together serve as the ELAG expert advisors until the end of Penny's term (in July 2020). Ralph is currently working as a consultant in the mobile Health IT space. He recently founded mHealth Informatics to educate, develop and build mobile applications to assist clinicians in achieving better patient outcomes. Until recently, Ralph held the position of Director of standards and resources with the Health Information Management Association of Australia.

Please join me in welcoming Ralph to the E-Learning Advisory Group!

Kind regards,
Linda.
